## Carnival 50th Anniversary Gala Message by Mayor Bernard Wagner

July 2025

It is with great pride and admiration that I extend congratulations to the Carnival Association of Belize on the monumental occasion of the 50th Anniversary of the Carnival Road March.

For half a century, Carnival has evolved into one of the most vibrant and unifying cultural expressions in our City. This celebration is not merely a spectacle of feathers, rhythm, and revelry—it is a proud manifestation of who we are as Belizeans. Carnival is where our heritage meets creativity, where tradition blends with youthful energy, and where communities come together in shared jubilation.

Over the decades, Belize City has proudly served as the heart of this iconic celebration. As Mayor, and on behalf of the Belize City Council, I salute the Carnival Association for its steadfast dedication to organizing and

evolving this beloved event. Your commitment to culture, community, and collaboration is deeply appreciated, and your work has played an immeasurable role in preserving the spirit of Carnival across generations.

We must also take a moment to celebrate the thousands of participants who have poured their hearts, talents, and artistry into this movement—from costume designers to dancers, musicians to choreographers, youth groups to senior bands. Likewise, we applaud the loyal spectators who line our streets year after year, bringing joy, color, and a sense of belonging that makes Carnival so unforgettable.

This 50-year milestone is not just a look back at what has been achieved—it is also a call to continue pushing forward. May Carnival remain a cultural catalyst and a platform for creative expression. May it continue to uplift our youth, energize our communities, and bring economic and social vitality to our streets.

Congratulations once more to the Carnival Association of Belize—your legacy is already golden, and your future is brighter still.

Happy 50th Anniversary, and here's to the next 50!

### HIS WORSHIP

### MAYOR BERNARD WAGNER

FINANCE, BUDGETING, HUMAN RESOURCES, STAFF DEVELOPMENT & TRAINING,  
PUBLIC RELATIONS & SPECIAL EVENTS, ANTI-CORRUPTION

## On the Move: Advancing Urban Mobility Together

Mayor Bernard Wagner, Deputy Mayor Eluide Miller, and the Belize City Council team were pleased to welcome Hon. Louis Zabaneh, Minister of Constitution & Religious Affairs, Indigenous Affairs, and Transportation, to City Hall along with Ms. Anna Loague, Director of Policy, Planning and Research.

It was a productive exchange as we updated the Minister and his team on the Council's ongoing transportation initiatives and goals, while also learning more about the national transportation agenda.

Together, we remain committed to ensuring that local and national efforts work hand in hand to build a more connected, efficient, and people-focused transportation system for all.

## Summer Camp Check-In!

As the council member with responsibility for Youth and Sports, Councillor Malcolm Nunez took some time to visit all four of the Belize City Council's Summer Camps – and let's just say, the energy was high and the talent on full display!

From sports and art to life skills and learning, these camps are giving our young people a chance to grow, explore, and shine in a safe, fun, and supportive environment.

Councillor Nunez spent time engaging with campers and facilitators, listening to their experiences and celebrating their hard work. He shared that investing in our youth remains a priority.

These camps reflect the Belize City Council's continued commitment to creating meaningful, inclusive opportunities for 450 young people to thrive – not just during the summer, but all year round.

Big thanks to all the facilitators, volunteers, and most of all the kids who are making this summer one to remember.

**NOW AVAILABLE!**

## Youth Connect Summer Blast Update!

It's a creative extravaganza at the Belize City Council and Child Advisory Body's Youth Connect Summer Blast! From sewing, painting, gardening, to yoga – our campers are truly having a blast as they explore their right to self-expression and creativity.

Proudly brought to you by the Belize City Council in partnership with the Child Advisory Body of Belize City.

## Coming Soon: The Yabra Fish Market

It was a productive afternoon as Mayor Bernard Wagner, Councillor Evan Thompson, Councillor Allan Pollard Jr, and the Belize City Council team met with fisherfolk and residents of the Yaborough community to discuss plans for the soon-to-be Yabra Fish Market.

Our fisherfolk expressed strong support for the initiative, which will provide them with a dedicated and comfortable space to sell the day's catch, improving their daily operations and enhancing convenience for both vendors and customers.

We look forward to continuing this collaboration and bringing this space to life in a way that meets the needs of the community and supports economic activity in the area.

## Chip and Seal in Action On Zericote Street

Mayor Bernard Wagner and City Administrator Albert Vaughan are actively overseeing ongoing infrastructure upgrades in Belize City. Currently, the second phase of rehabilitation is in progress on Zericote Street, from Vernon Street to Banak Street.

This follows the successful completion of Phase One, which improved the section from Vernon Street to Mahogany Street. Zericote Street, like Santa Barbara Street, is classified as a secondary route primarily used by motorists seeking to avoid traffic on Central American Boulevard. The chip and seal method employed is deemed appropriate for this type of street, enhancing the quality of life for residents.

The Belize City Council remains committed to sustainable development, steadily improving infrastructure one street at a time to benefit all residents.

## Bringing in His Birthday the Community Way!

Mayor Bernard Wagner brought in his birthday by sharing dinner and dessert with our hardworking Sanitation Night Crew – the team that keeps our streets clean while the city sleeps.

Joined by Deputy Mayor Miller and our City Administrator, they spent this time connecting with the crew and expressing gratitude for their dedication, night after night.

A simple gesture that goes a long way in showing appreciation for those who go above and beyond for our city.

Thank you to our sanitation team for all that you do.

## Mayor Wagner and Councillor Nunez Welcome US Youth Ambassadors to City Hall

As a testament to our commitment to fostering meaningful youth dialogue in leadership and service, the Belize City Council, upon request from the Belize Youth Ambassadors Program, proudly welcomed 11 US Youth Ambassadors to City Hall for an engaging exchange centered on youth leadership, community-oriented service, and the shared goal of expanding holistic opportunities for young people across Belize.

During the courtesy visit, Councillor Malcolm Nunez, who holds the portfolio for Youth, Sports, and Wellness, joined by members of the Belize City Youth Shadow Council and the Council's Programs Department, shared insightful perspectives on the Council's approach to youth development.

These efforts were highlighted through key initiatives such as the Youth Shadow Council, Child Advisory Body, Youth Connect Student Hub Series, MENgage Initiative, and other programs that reflect the Council's mission to build empowered and engaged youth communities.

The visiting cohort also had the opportunity to engage in further dialogue with Mayor Bernard Wagner and received a guided familiarization tour of City Hall, led by the Youth Shadow Councillors and members of the Programs Department.

We extend gratitude to the Belize Youth Ambassadors Program for continuing this long-standing tradition of youth exposure and dialogue, and to the visiting US Youth Ambassadors for their enthusiasm and collaboration as they continue their experience in Belize.

The Belize City Council remains firm in its belief that strong youth linkages in governance are essential to national, regional, and international growth and inclusive development.

## Strengthening Resilience in Small Island Developing States (SIDS)

Deputy Mayor Eluide Miller proudly participated in a virtual engagement hosted by the Association of Commonwealth Universities (ACU) in collaboration with the Commonwealth Local Government Forum (CLGF) to discuss the upcoming King's Commonwealth Fellowship Programme (KCFP), a transformative initiative inspired by His Majesty King Charles III.

The session focused on gathering insights from local government leaders and civil servants working on the frontlines of climate change to help shape the fellowship's direction and priorities. The programme aims to support up to 150 local government officers, civil servants, and climate practitioners from across the Commonwealth, especially in SIDS, by building their skills, expanding their knowledge, and creating a strong network of climate resilience professionals.

Key areas of discussion included designing content that addresses regional climate challenges, identifying key beneficiaries, ensuring widespread awareness of the opportunity, and exploring ways to maximize long-term learning and impact for the Caribbean region.

This initiative reflects a strong commitment to empowering local leadership and enhancing sustainable development across vulnerable island communities.

## GETTING TO KNOW Councillor EDMUND KWAN

### What's your vision for making Belize City an even better place to live, work, and play?

My vision for Belize City is to transform it into a thriving, vibrant community where every resident feels empowered, valued, and connected. I envision a city where safety, opportunity, and prosperity are at the forefront, with enhanced public spaces, stronger infrastructure, and diverse recreational activities. By supporting local businesses and fostering civic pride, we can create an environment where people work together to drive positive change.

### If you could add one superpower to your daily job, what would it be and why?

If I were granted a superpower, I would choose to have a magic wand that could instantly resolve all challenges that Belize City faces. However, I understand that true change requires more than a quick fix. In moments of difficulty, I would turn to prayer, seeking strength, guidance, and wisdom from the Almighty to navigate obstacles and create lasting solutions that positively impact those around me.

### Who have been some of the key figures in your life who have influenced your approach to leadership?

The greatest influence in my life has undoubtedly been my parents. Their dedication to their work has inspired me to make a meaningful impact in my community while always striving to make them proud. Their resilience, commitment, and strong work ethic have shaped my core values and fueled my passion for pursuing a political career focused on purpose and positive change. I am committed to leading with the same integrity and passion they exemplified and inspiring others to embrace perseverance, dedication, and service. Through these principles, I aim to contribute to building a brighter and more inclusive future for everyone in Belize City.

### Is there something you wish more people understood about your role on the Council?

As Councillors, we are deeply committed to creating a lasting, positive impact in our community by shaping policies that address the needs of every constituent. We are focused on finding solutions and driving meaningful change. With dedication and collaboration, we are working to create a stronger, more prosperous future for all. Your patience, support, and trust are invaluable as we come together to build the vibrant community we all deserve. Together, we will continue to move forward and achieve great things.

## One Year of Electric Buses in Belize City!

This month marks the 1-year anniversary of the Belize City Council's eRide Bus Service, launched under the Towards Low Carbon Transport: Piloting e-Mobility within Belize's Public Transport System project – and what a journey it's been!

What began as a bold vision by Mayor Bernard Wagner to modernize urban mobility and reduce our city's carbon footprint has become a game-changer in the lives of Belize City residents.

In just one year, over 180,000 passengers have ridden on the fully electric eRide buses, proving that clean, efficient, and accessible public transportation is not only possible but also embraced by the public.

Powered by innovation and people-first planning, the eRide Bus has transformed daily commutes and raised the bar for what public transport can look like in our city.

The feedback from riders has been clear, and the Belize City Council continues to explore opportunities to strengthen and expand the eRide fleet, bringing more reliable and eco-friendly mobility to even more neighborhoods.

We thank you for your support and look forward to building an even more connected, climate-smart city together.

## Youth Innovation Incubator 4.0!

And we're off! The Belize City Council's Youth Innovation Incubator 4.0 Summer Program has officially kicked off this week with incredible moments of learning, creativity, and connection!

From savings and entrepreneurship to videography, baking, swimming, basketball, volleyball, self-development, and graphic design — our young innovators jumped in with enthusiasm and drive. It's been all about skill-building, sunshine, and nonstop laughter — proudly powered by the Belize City Council and the Child Advisory Body of Belize City!

## Midweek Wine Down: Downtown Came Alive!

The heart of Downtown Belize City came alive this week at our first ever Midweek Wine Down event, where music, poetry, and good company created an evening to remember.

Residents and visitors enjoyed an atmosphere of community and creativity, all while sampling delicious offerings from our vibrant local vendors.

Our gratitude goes to the gifted performers who filled the air with soulful songs and moving poetry, and to the Culture Is My Business Initiative by the National Institute of Culture and History, whose support allowed Belizean talent to take center stage.

This summer series is another inclusive and creative community experience brought to you by Mayor Bernard Wagner and the Belize City Council, connecting vendors and consumers in a lively, inclusive environment.

## Deputy Mayor Miller Joins Youth Campers for a Day of Fun, Flavor, and Fitness!

Deputy Mayor Eluide Miller visited the Belize City Council and the Child Advisory Body of Belize City's Youth Innovation Incubator Summer Program and Pee wee Basketball League!

From thrilling basketball drills to creative moments in the kitchen, our young participants truly showed off their passion and potential. The Deputy Mayor also shared nutritious snacks with the campers, helping to fuel their day of energy, excitement, and hands-on learning.

Huge thanks to the parents, program leaders, and of course, the incredible youth who made this summer one to remember – full of skill-building, creativity, and community spirit.

# Belize City Council Joins in Celebrating the 50th Anniversary of Carnival!

Deputy Mayor Eluide Miller represented the Belize City Council at the momentous 50th Anniversary Celebration of Carnival in Belize, where he delivered remarks during the Masquerade Gala Awards, Banquet, and Dance Night.

It was a powerful tribute to five decades of Carnival in Belize, honoring the vibrant culture, artistic brilliance, and resilience that have shaped this beloved tradition. As a sponsor of the Gala and a longstanding supporter, the Belize City Council was also honored with a special award in recognition of its continued contributions to the growth and success of Carnival in Belize City.

In his address, Deputy Mayor Miller paid homage to the trailblazers who laid the foundation, celebrated the young visionaries now carrying the torch, and reaffirmed the Council's commitment to uplifting culture, empowering communities, and protecting our rich Belizean heritage.

Congratulations to the organizers, awardees, and every contributor who has helped keep the Carnival legacy alive. The Belize City Council is proud to stand with you yesterday, today, and for generations to come.

## **BELIZE CITY COUNCIL** Always 'bout The People **MANHOLE NOTICE**

The Belize City Council urges all pedestrians to be mindful of damaged and missing manhole covers. While the Belize City Council continues to replace damaged manhole covers throughout the city, residents can help by:

- REPORTING AREAS WHERE THERE ARE MISSING/DAMAGED MANHOLE COVERS**
- REPORT OR TAKE PICTURES OF THE VEHICLES THAT ARE PARKED ON MANHOLE COVERS**

Photos can be sent to the Council's Business  
WhatsApp Number at (+501) 673-9055

You can also call our complaint line at  
**+501-227-3073 EXT 238**

# Derelict Vehicles Notice

## What is a derelict vehicle?

A derelict vehicle is any automotive that has been out of service for an extended period of time due to neglect or misuse.

## Why is it important to remove derelict vehicles?

- Can cause accidents
- Creates public health hazard
- Affect streets and drainage maintenance
- Creates unflattering aesthetic in city streets
- Allows driving on only one side of the road

Report derelict vehicles by calling our complaint line at **+501-280-4014** or send us a WhatsApp message with photos and location at **+501- 673-9055**

## Pee wee Basketball Summer League 2025 Is Officially in Play!

In case you missed it, the Belize City Council and Child Advisory Body of Belize City have made a slam dunk start to this year's 2025 Pee wee Basketball League with 95 energetic campers ages 7-12!

We're all about building skills, sportsmanship, and team spirit on and off the court.

Proudly brought to you by the Belize City Council in partnership with the Child Advisory Body of Belize City.

## CEMO Participates in 2025 Special Olympics Safety Camp

CEMO was honoured to participate in the 2025 Special Olympics Sports and Safety Camp held in Belize City, where we delivered a vital presentation on hurricane and flood preparedness.

We believe that emergency preparedness must be accessible to everyone. That's why CEMO is always out in the community, engaging, educating, and ensuring that no one is left behind.

We remain deeply committed to promoting inclusivity across all areas of emergency management and equipping everyone with the knowledge and tools they need to stay safe and resilient before, during, and after any emergency.

Together, we're building a culture of preparedness where every person has the power to protect themselves and their community.

## Back to Basics: Math & English Summer Program In Session!

As part of the Belize City Council's ongoing commitment to educational empowerment through the Youth Connect Student Hub Network, this year's Back to Basics: Math & English Courses are off to a steady and impactful start!

With a focus on remedial support in English and mathematics, these sessions are designed to get students more than ready for the 2025-2026 school year.

Thanks to a dedicated facilitator and our team of brilliant youth tutors, each child is receiving personalized guidance to sharpen their comprehension and academic skills.

Proudly brought to you by the Belize City Council in collaboration with the Child Advisory Body of Belize City.

## Celebrating CoopsDay 2025

Councillor Kaya Cattouse represented Mayor Bernard Wagner and the Belize City Council at the Forum for Co-operative Leaders in celebration of the International Day of Cooperatives 2025.

This year's global theme, "Driving Inclusive and Sustainable Solutions for a Better World," speaks to the heart of the cooperative movement.

In her remarks, Councillor Cattouse emphasized that cooperatives represent more than economic activity – they demonstrate what communities can accomplish when people work together with a shared vision and sense of responsibility.

The event brought together cooperative leaders from across Belize and featured the participation of key stakeholders, including Minister of Agriculture, Hon. Jose Mai, representatives from the Food and Agriculture Organization of the United Nations (FAO) and PROCASUR Latin America.

Thank you to the Department of Co-operatives for organizing this initiative and including the Council. We appreciate the dedication of all cooperative leaders and partners who continue to play a vital role in strengthening communities across Belize.

# eRide Ridership CARDS

**COMING SOON**

POWERED BY:

## Youth Innovation Incubator 4.0 : A Sweet & Nutritious Treat

The Belize City Council was delighted to welcome Santiago Castillo Ltd. to the Youth Innovation Incubator 4.0, Summer Camp where they delivered a fun and informative session on nutrition and gifted Dutch Lady packages filled with snack items and exciting goodies to our young participants.

Their generous support, along with that of our other valued donors, helps make this Belize City Council initiative a free, impactful, and enriching experience for over 250 youth each year.

## Beautifying Downtown: Royal Palms for Battlefield Park

The Belize City Council, in collaboration with the Belize Tourism Board, is giving our beloved Battlefield Park a fresh, tropical facelift with the planting of beautiful, mature Royal Palms.

This urban beautification effort adds new life to the heart of downtown Belize City, making it more inviting for residents and visitors. Mayor Bernard Wagner and the Council remain committed to creating a city that's not just functional, but vibrant, green, and full of civic pride.

Battlefield Park is more than just a park — it's a cultural landmark. Together, we're preserving its legacy while building a cleaner, greener Belize City.

Special thanks to the BTB for partnering with us on this meaningful project!

 **Please exercise caution!** 

As these newly planted palms establish their roots, they are securely braced with wooden supports. We kindly ask all park visitors to exercise caution when moving through the area and to be mindful of the support structures.
